

THE ALPHA DELT

MESSAGE FROM THE ACTIVE PRESIDENT

Fellow Brothers,

I am pleased to report that our fraternity has seen substantial growth and improvement while successfully maintaining traditions within one of the best years we have had in some time. This was only made possible with the support and effort from the Brothers of the Active Chapter and House Company.

This year's Active Chapter's Executive Committee focused on growing the Chapter while preserving the lasting traditions that were developed over our long and rich history. Pursuing this goal with effort and determination during the rush period produced the outstanding pledge class of 2T7, thirteen neophytes strong. These men are a valuable and promising addition to our brotherhood who will work diligently to continue and improve our Chapter.

Within the first two months of the school year, we have continued our staple events, which included our annual Cigar and Scotch, in addition to continuing our sorority relations and philanthropic initiatives. This year we have increased our community involvement by consistently volunteering at the St. Thomas Church food kitchen and we will again be hosting our annual Christmas Philanthropy in December. We look forward to hosting a number of other philanthropies and community events over the rest of this academic year.

Thanks to the donations of the Alumni, the guidance from House Company, and the effort from the Active Chapter, the House has seen consistent improvement, maintenance and upkeep which leaves the House looking better than ever. I encourage any Alumni to come visit the Chapter House at their convenience to see the state of the House for themselves and talk to members of the Active Chapter. Finally, I would like to express my sincere gratitude to the Executive Committee and the Brothers of the Active Chapter. Without these men and their efforts, our Chapter and House would not be in the amazing shape it is in. I am extremely grateful and honored to serve as President for these men who consistently strive to meet the ideals laid out by our illustrious Samuel Eells. I truly could not have asked for a better group.

Xaipe,
Michael (Max) Berton, 2T4
Active Chapter President 2023-24

RUSH REPORT

The 2023 rush season produced the greatest numbers in recent fraternity history. A determined group of 13 men have shown commitment akin to the most revered Alpha Deltas. This season saw dozens of prospects walk through the doors of 94 Prince Arthur Ave. Only the best candidates were selected to wear a pin. From those with a pin, only the most dedicated, respectful, and knowledgeable advanced to Neophyte status.

These individuals are now at the genesis of their Active brotherhood, starting down the path that you yourselves once walked before. It is with great confidence that we believe these Neophytes will push forth the quintessence of Alpha Delta Phi, on their path now and well after their active tenure.

HOUSE MANAGER REPORT

As House Manager, I am pleased to report that the House is in great shape. As it stands, we have all but one room filled, and many of those rooms have seen makeovers this semester. Since we last gathered for Banquet, the House has seen one of its largest renovations in recent years with the refurbishment of our bathrooms. The bathrooms are now a showpiece of our House, thanks to House Company and the generous donations from the Graduate Brothers that allowed for it to happen.

The Actives have also played a large role in the current state of the House, with recent home improvements including the painting of the basement, staining of wooden floors and the planting of new grass in our yard. Besides this, many smaller improvements have taken place in and around the House and will continue to take place throughout the year.

Looking forward, House Company plans to finish the replacement of the windows on the third floor to match those on the first and second

floor. We also hope to get the ball rolling on the refurbishment of the House's iconic front pillars. I am proud of where the House is at current and the direction it's heading. And as always, if you need a home for unused furniture, look no further than 94 Prince Arthur Avenue!

House Manager,

Br. Gregory Hooper, 2T5

CLASS OF 2T3 GRADUATES

We send warm congratulations to the Class of 2T3 who graduated this past spring and wish them all the best in their future endeavours: Jeremy Monaco, Gavin Bell, Graham Cassar, Thomas Langmuir, and Robert Paroyan.

PHILANTHROPY REPORT

The Active Chapter has begun the 2023-2024 year with significant participation in our philanthropic efforts. The Brothers and pledges of Alpha Delta Phi have been regularly preparing food and serving the less fortunate at St. Thomas Anglican Church on almost every Friday of the semester. This included a Thanksgiving service, as well as a co-hosted food kitchen service with the ladies of Alpha Gamma Delta. Our service and commitment has been noticed by the organizing staff at various occasions, and we look forward to continuing to strengthen our ties with the food kitchen.

Later this semester, the Brothers of Alpha Delta Phi have a joint philanthropy with the Sisters of Alpha Omicron Pi. A philanthropic dodgeball tournament, where proceeds will go to "Strike-Out Arthritis". We are proud to announce our continued yearly Christmas Philanthropy tradition with the Huron Playschool Cooperative and Kappa Kappa Gamma. Moreover, the Brothers are proud to be able to boast strong presence and participation in charitable efforts of Greek organizations across campus.

We expect to continue our trend of consistent philanthropic engagement through our ongoing participation in "Movember", our Blood Donation Campaign, book and clothing drives, and the continuation of our food kitchen volunteering.

Philanthropy Chair,
Br. Gonçalo Das Neves, 2T6

LITERARY REPORT

The Active Chapter continues to uphold its literary traditions and enforce high literary standards for its members. This year brings a new challenge with a 13- member pledge class. We have worked hard to ensure their proper education of our literary traditions and history. We continue to make good use of the House library, which has served as an epicenter for pledges and Brothers alike to educate, learn and involve themselves in our history and traditions. Furthermore, literary presentations and debates continue each week after meeting. We have discussed a variety of relevant topics, further allowing our pledges to broaden their critical thinking abilities and communication capabilities. In addition to the hard work the Brothers have put into their coursework, they have also been submitting exceptional essays for this year's literary journal.

Since last semester, we have had a book club take place in our library once a week. With a mix of Graduate and Active Brothers, we have already read novels from Homer, Leo Tolstoy, and Oscar Wilde among many others. Providing a space for Brothers to increase their intel

lectual abilities while we dissect and discuss the themes and meaning behind these novels. To conclude, in February we had an amazing presentation about leadership from Gr. Br. Jim Fisher 6T4, former Vice-Dean at the Rotman School of Management. As we move into the new year, we have begun to organize a career panel as well as further alumni literary presentations. If anyone would like to participate, please reach out to Brother VP Rory Keogh.

BROTHERHOOD REPORT

Alpha Delta Phi's Toronto Chapter has been abounding with brotherly activity around the clock. The walls of 94 Prince Arthur have seen and heard a level of involvement from the Actives that has brought camaraderie, compassion, and commitment to the very forefront of our treasured organization. With every social we grow more jubilant, with every literary presentation we grow wiser, with every philanthropy we grow more considerate, and with every day we grow more united. Upcoming events include a trip to the Canadian Opera Company, and a movie night showing of Dead Poet's society.
